

# Variability

## Variability

- Variability
- Range
- Deviation
- Degrees of Freedom (df)

---

---

---

---

---

---

## Range

- Interquartile Range
- Semi-interquartile Range
- Upper and Lower Limits

---

---

---

---

---

---

## Deviation

- Standard Deviation
- Variance
- Biased Estimate of Population Variability
- Unbiased Estimate of Population Variability

---

---

---

---

---

---

## Degrees of Freedom

- $df = n - 1$

---

---
